

## PARENT Letter

Please read this Survival Guide with your student. Feel free to ask them questions. We have discussed this in detail and your student should be able to answer any questions you have or Refer to the detailed Survival Manual.

I feel it is important to establish communication and daily routines at the beginning of the school year. This seems to prevent a lot of the uncertainty and creates a fantastic working environment for everyone.

I am looking forward to working with you and your child this year. If you have any questions or are interested in volunteering, please send me an e-mail [Lweech@galesburg205.org](mailto:Lweech@galesburg205.org) or call the school.

Thank you for your support.
